Highly Esteemed Secretary-General Kofi Annan,

On the thirteenth of September at the Interfaith Prayer Service, your supremely soulful Message was at once heart-breaking and soul-stirring. I am sure countless people in the world will derive immense consolation from your mind-illuminating and heart-elevating Message. While you were offering the Message regarding America's dire crisis, I felt in the very depth of my heart that it was your heart's streaming tears that actually offered the Message to the world for the mind-illumination and the life-transformation of humankind. You not only represent the World-Body, but also represent earth's Peace-Hope-Dream and Heaven's Peace-Promise-Reality here on earth.

Most respectfully and most gratefully,

Sri Chinmoy
