UNITED NATIONS:

the Heart-Home  
of the World-Body

We believe and we hold that each man has the potentiality of reaching the Ultimate Truth. We also believe that man cannot and will not remain imperfect forever. Each man is an instrument of God. When the hour strikes, each individual soul listens to the inner dictates of God. When man listens to God, his imperfections are turned into perfections, his ignorance into knowledge, his searching mind into revealing light and his uncertain reality into all-fulfilling Divinity.

Mr. Kofi Annan  
Secretary-General  
United Nations, New York

My Most Esteemed Secretary-General

Your soul-stirring words brought great solace to your United Nations family during yesterday's programme in tribute to John Fitzgerald Kennedy, Jr. Your eloquently expressed concern for what he represented to so many was deeply appreciated. My dear Secretary-General, I am touched by your capacity to so clearly understand the significant role you play in healing humanity's anguish.

I thank you again for your generosity of spirit and your pure and powerful message. As an expression of my sincere gratitude for your heart's gracious magnanimity, I wish to offer you the enclosed book I have written in honour of John F. Kennedy, Jr.

With deepest respect,

*Sri Chinmoy*
