UNITED NATIONS PEACE WALK AND PEACE RUN TO COMMEMORATE U.N. CHARTER DAY

Some will talk -- others will run and walk to commemorate the anniversary of the signing of the U.N. Charter.

The U.N. community is invited to join together in the semi-annual PEACE WALK in the U.N. gardens on June 25-26 and in the PEACE RUN on June 29 -- a commemorative relay run from Lake Success in Long Island (former site of UN offices) to the Secretariat.

The Peace Walk is a silent, nation by nations relay walk around an area of the North Garden. The preamble to the UN Charter is carried by a national in each group and is passed on to the next group. Ambassadors of some countries will lead their national groups and each participant will sign a copy of the Preamble to the Charter to commemorate the signing of the original Charter in San Francisco in 1945. All UN members are invited to join the Final International Walk on Thursday, 26 June at 1:15 p.m.

Each country has a scheduled time over the two day period in which its nationals will meet and walk. For information call Ms. Henry at

The PEACE RUN is not a race, but a commemorative run to celebrate the International Year of Peace. Runners will stay in a group, carrying the flags of the Member States over the 16.5 mile route. Run for a long or a short segment of the route -- or form a national relay team! Refreshments will be served at the seven rest stops along the route -- two vehicles will accompany the group at all times to provide water for the runners and transportations between stopping points.

Both events are being sponsored by Sri Chinmoy: The Peace Meditation at the United Nations.
