UNITED NATIONS:

the Heart-Home
of the World-Body

We believe and we hold that each man has the potentiality of reaching the Ultimate Truth. We also believe that man cannot and will not remain imperfect forever. Each man is an instrument of God. When the hour strikes, each individual soul listens to the inner dictates of God. When man listens to God, his imperfections are turned into perfections, his ignorance into knowledge, his searching mind into revealing light and his uncertain reality into all-fulfilling Divinity.

His Excellency Humayun Rasheed Choudhury
President of the 41st Session
of the General Assembly
United Nations

Respected Sir, my dear Countryman:

We believe and we hold that each man has the potentiality of reaching the Ultimate Truth. We also believe that man cannot and will not remain imperfect forever. Each man is an instrument of God. When the hour strikes, each individual soul listens to the inner dictates of God. When man listens to God, his imperfections are turned into perfections, his ignorance into knowledge, his searching mind into revealing light and his uncertain reality into all-fulfilling Divinity.

I am so proud and happy that you have been chosen as the Supreme Pilot of the General Assembly, and from the bottom of my heart I am offering you my loving and soulful felicitations. With your election to this supremely significant post, our beloved Bangladesh -- long the spiritual and cultural jewel of the Indian Subcontinent -- once again comes to the fore among the comity of nations.

We would be so honoured and delighted if one day you could come to one of our peace meditations. For many years we have been praying and meditating for world peace with the delegates and officials one or two times a week, and it would be such an inspiration to us if you would briefly attend one of our sessions as guest of honour.

I am praying to our Absolute Lord Supreme to shower His choicest Blessings upon your devoted head and dedicated life as you serve not only Bangladesh but the entire humanity in your new post.

Yours in the Supreme,

Sri Chinmoy
