Dear Mr. Vineberg,

The world today needs peace than ever before. We seem to have taken peace for granted and yet it is very central to the survival of mankind. The Peace Run gives us an opportunity to demonstrate that peace is the only thing that can keep our nations together as one united family. Only in peaceful atmosphere can nations prosper. Only in a peaceful atmosphere can our children grow up to be responsible citizens and indeed, only peace can bring happiness to all of us.

Your Peace Run will bring hope to all people of the world. It will make each one of us realise that as individuals and as members of the family of nations, we have a role to play in bringing about that peace which we all desire.

In supporting the Peace Run, I wish to state that it is a pride to be associated with your efforts to Promote Peace in the world.

Yours sincerely,

J. M. NGO
