Dear Ambassador,

As you are aware, this is a very special time for the United Nations and Monday is a particularly special day.

If you would be able to be present at the UN Day activities to honour UN Day on the 24th for even a few minutes between 1:10 and 2:15pm, we would be most grateful.

The International Lap of the Peace Walk is at 1:15 in the Garden and the Closing Ceremony begins at 1:30 on the Visitor's Plaza at the 46th St. Entrance. However, this schedule is flexible to allow for your participation.

The Peace Lifts featured in this year's programme take only a few minutes and have been well received as symbolic of the efforts of all those who are trying to uplift the world by working in various ways for peace.

Since these UN Day activities have always stressed the theme of peace, it would be very timely if you could spare a few minutes to be present, especially this year when the peace initiatives of the Organization have been honoured in such a meaningful way. This gesture would be deeply appreciated by all of us here at headquarters and by others celebrating this auspicious day around the world.

Thank you for your consideration and your support. Best wishes for a most inspiring and enjoyable UN Day.

Sincerely,

Adhiratha Keefe (Mr.)
