Dear Ambassador,

UNITED NATIONS:

the Heart-Home
of the World-Body

We believe and we hold that each man has the potentiality of reaching the Ultimate Truth. We also believe that man cannot and will not remain imperfect forever. Each man is an instrument of God. When the hour strikes, each individual soul listens to the inner dictates of God. When man listens to God, his imperfections are turned into perfections, his ignorance into knowledge, his searching mind into revealing light and his uncertain reality into all-fulfilling Divinity.

We wish to call your attention to the fifth annual Peace Run for the United Nations, a group run of 18.5 miles from Lake Success, Long Island to UN Headquarters, to take place on Saturday, 17 June 1989, from 8:30 a.m. to 1 p.m. The Peace Run is held to help promote a family feeling between nationals of the many countries which make up the United Nations community, and to assist in bringing about a greater public awareness of the work of the United Nations toward world peace. Among participants in past Peace Runs have been ambassadors and elite runners, and the Run has received considerable media attention, including national coverage on CBS news.

We would be grateful if you could make the attached information available to members of your mission and any other nationals you feel may be inclined to take part. Family participation is most welcome. We especially invite runners to join in the final mile starting from Second Ave. between 58th and 59th Streets in Manhattan at 12:40 p.m.

If you yourself or members of your family are athletically inclined, we wish to extend a warm invitation to run! You may also wish to appear at the United Nations visitor's plaza at 1 p.m. to welcome the runners, or to offer a brief inspirational statement.

We would be grateful if you could inform us of the participation of your mission by returning the enclosed form before Thursday, 15 June so that we may supply appropriate numbers of a small version of your nation's flag for the runners to carry.

Sincerely,

Surashri Paradis
