Peace Walk for United Nations Charter Day Monday, 26 June 2000

Since 1983 United Nations delegates and staff have taken a moment from their busy schedules to express their hopes for world peace by participating in the Peace Walks.

During the ceremony, the Preamble to the United Nations Charter is carried in a silent, nation by nation relay around the North Garden. Each national group carries the Preamble in turn before passing it to the next.

This year, as in the past, a number of Ambassadors will lead their national group.

You are warmly invited to join in your country's Peace Walk (see time below) and in the International Peace Walk at 1:55 pm. For information please call Mr. S. Paradis at 212 963-3957.
