Dear Ambassador,

I have the honour of inviting your Excellency to offer a few remarks at a programme in commemoration of the International Year of the Child.

The programme is to be held at the Jharna Kala Gallery, 933 Madison Avenue (corner of 74th Street), on Tuesday, 14 August, at 6:30 p.m., which is currently displaying among its collection a painting created in a special tribute to the Year of the Child by Sri Chinmoy, who since 1970 has conducted meditations at the United Nations for delegates and staff.

It is my hope that you may be able to offer a few brief remarks expressing your country's solidarity with the International Year of the Child and its commitment to the world's children.

This programme is being sponsored by the Mission of Panama and the Meditation Group at the United Nations, which will prepare a documentary booklet of statements made at the programme.

The Mission of Panama is convinced that through programmes such as this the international community will be able to keep the spirit behind the International Year of the Child alive long after 1979 passes.

His Excellency Mr. Brajesh Chandra Mishra
