Message to Sri Chinmoy and Members of the Peace Meditation Association
in Response to Birthday Greeting Telex sent to Panama, 17 September 1990 to the Offices
of Dr. Illueca.

Phone Conversation Dr. Jorge Illueca, former President of Panama, President of the 38th
Session of the General Assembly and former Ambassador of Panama to the United Nations to
Adhiratha Keefe of Peace Meditation group at the United Nations.

Dr.I. I wanted to convey to Sri Chinmoy through you my gratitude and for this
beautiful message. It was very moving.

A.K. This is a day we always remember, especially Sri Chinmoy who called me about
this.

DR. I. Many times I have been thinking of him and all of you. Today, tell him today
something happened here that was very significant, We have here a National
Flower, It is called the "..... Flower". We have a plant by my home,
it has been there for about ten years and today it was for the first time
blossoming, flowering with this beautiful flower that has inside of the flower
like a little pigeon (dove?). Yes, (and a chuckle, sweet laugh). I was very
amazed and very impressed by this fact and at the same time very happy that,
because at the same time it was something very natural. (another laugh)
Please tell him about this. And then I received your beautiful message and
the message of Sri Chinmoy and the Meditation Group and it has made me very
happy. Tell him that I feel that I am in Harmony with that when I receive
messages like yours.

A.K. Well we always remember when you were here and I think the wisdom that you gave
us, as he said it stays in our hearts.

Dr. I. Thank you this is a feeling that I share with Sri Chinmoy and all of you.
Please give my best regards to Sri Chinmoy and also your colleagues and all our
dear friends of the Meditation Group

A.K. I will do that.

Dr.I. And thank you for calling, I just called to convey to you and to Sri Chinmoy
my feelings and tell Sri Chinmoy and your friends and colleagues of the
meditation Group that I feel that you are like a spiritual touch that I saw
(or I feel) the best feelings, the best sentiments, that we have in the very
depths of our hearts.

A.K. Well, it is because of your encouragement over the years that, that touch
burns bright.

Dr.I. Thanks again Adhiratha, My best wishes. I expect to come to New York sometime
perhaps sometime in December or the beginning of January and then I will let
you know in advance so I would have the opportunity to see Sri Chinmoy and to
meet with all of you.

A.K. Please do, it is always a special time for all of us when you are here.

Dr.I. Well, Thanks Again.

A.K. Thank You and please give our best wishes to your family.

Dr. I. Well, Thank you, Bye Bye.
