MENSAJE:

While I was fortunate enough to serve as
the United Nations, held as my country's
Permanent Representative and as President of the
Bath Division of the General Assembly, I had the
opportunity to see first hand the impact of Sri
Chinoy and the Mediation Group's activities
over a period of time. His visible contribution
to the world community is a permanent source of
inspiration and encouragement to all those
living people.

Sri Chinoy has a vision of a world
unity. His contribution to peace, justice,
equality, and social, economic and overall
unity deserves the gratitude of this world.
Let us praise him in our words and
in our hearts -- let us appreciate and value
this great and blessed human being as
distinguished in virtue.

Respectfully to all of you

SRI CHINMOY SILVER JUBILEE

Many people of the Isthmus of Panama and the Latin American Region join me, together with my dear friends of Sri Chinmoy: The Peace Meditation at the United Nations, as well as legions of friends all over the world, in celebrating the Silver Jubilee of Sri Chinmoy, the Spiritual Luminary of India.

Sri Chinmoy's teachings are a fresh fountain of thoughts not only to achieve peace on oneness-earth but to promote the elevation of our lives. He is in constant search of understanding for our minds, to make us love one another and to strengthen our bodies and souls above and beyond joy and sorrow.

While I was fortunate enough to serve at the United Nations, both as my country's Permanent Representative and as President of the 38th Session of the General Assembly, I had the opportunity to see first hand the impact of Sri Chinmoy and the Meditation Group's activities over a period of time. His visible contribution to the world community is a permanent source of inspiration and encouragement to all peace loving people.

Sri Chinmoy has a vision of a world family. His contributions to peace, oneness, serenity, art, music, meditation and overall health deserves the gratitude of this world family. So, let us praise him in our minds and in our hearts -- let us appreciate and value this great and blessed human being so distinguished in virtue.

Greetings to all of you,
