

Sweden: You Own a Splendid Vision-Ken

Words and Music

By Sri Chinmoy

August 17, 1979

Sweden, Sweden, Sweden, Sweden,
You own a splendid vision-ken.
Your Nobel Prize is the world's Himalayan treasure;
Its length, its height, its depth beyond measure.
You are your teeming consciousness-lakes of soulfulness.
Stillness within, stillness without: a life of perfection-fulness.
