Some of our colleagues who work at the UN, The Peace
Meditation Group singers, would now like to offer
two songs composed by Sri Chinmoy about the UN
in honour of Navajanma's long service
to the highest goals and vision of the United Nations.
Navajanma worked for more than 30 years at the UN.
When hefirst met Sri Chinmoy at the United Nations,
Navajanmahad already been living
a very spiritually focused life for a long time.
•
He began attending the Peace Meditations at the UN
and shared his aspiration with many of us in the Group.
He added much by his enthusiasm and presence.
Sri Chinmoy appreciated him greatly.
He was always mindful of what Sri Chinmoy
mentioned,that the "most important thing to
remember
while working at the United Nations
is the vision of the United Nations ."

From the time he started as a junior staff member
'till his retirement,
when he was supervising a number of others,
he was always most concerned
with serving the goals of the UN,
while balancing the needs of the organization and
the wellbeing of the many individuals he was coaching
He invested all his time and energy in this task,
way beyond what others expected.
He loved the popular mosaic art
on the third floor of the UN by Norman Rockwell.
Itdepictsmany faces from around the world,
with the golden rule written below:
"Do unto others as you would have them
,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,
He was most appreciative of the mural's
interfaith and intercultural symbolism.
We can say it summarized a good part of the
wayhe chose to be "in the world".
He was known by all for his dedication, humility,
.persistence, faith, loyalty, kindness, friendship and love.
And now the Singers will pay tribute to Navajanma
with two songs.
